## April MMXIIIV Newsletter

**Spring Classes** are as important as any in the school year. Until May, all Bigs should be at school by 8:00 for studio time, tree swinging, and test taking. Minis and Munchkins, should be at school by 8:30. In May, 9:00 will be the arrival time for everyone; of course the school opens at 7:30 for those who need drop off before work. Please let us know by e-mail when you plan to be absent from school.

**Homework** should continue until the last week of school. The amounts will be less than the Hard Nine Weeks but should still be done with consistent rhythm and sufficient effort.

**Baseball** has always been a part of Spring time at Fayette. We will keep you informed of the times and locations of games, so that we can have cheering fans. Bring your lunch and come watch the fun. If you have any old baseball gloves or caps around that need a new home we would be happy to have them. Parents are welcome to come and play.

**Hats** are needed for our park time under the New Mexico sun. **Everyone** should bring a sun hat to school **everyday**. Students who don't bring their hat can miss out on a day's game. No spaghetti strap tank tops for young ladies of any age, too much skin to protect!

**April tuition** is the last payment for this year if you are on the standard payment plan. Tuition for 2017-18 begins in July.

**Climbing Week** is May 9th-16th. Bigs climb on Tues, Wed, Thurs and the Munchkins on Fri. The Minis climb during the afternoon of Tues, the 16th.

**School Dates:** No school on **Good Friday**, April 14. Friday, May 26th is the final day of the 2016-17 school year.

**Field Trips** for The Zoo and the Ice Cream Walk are still being discussed for this spring. We will keep you apprised as our plans solidify.

**17-18 School Year** still has a few spaces available in some of our classes. Please continue to direct interested families to the school website and Facebook page.

**Fayette Night at the Isotopes** will be Friday, May 19th. For the past seven years we have had Fayette Night at an Isotopes game. The nights were enjoyed by all. The 150 seats in our block are \$9.50 each and may be reserved by turning in an order form (we have them) to John. An e-mail will serve as well. The cut off date for ticket purchases is May 6th. Whether you have never attended a professional baseball game or have seen hundreds, Fayette Night is always great fun for the school community. Please plan on being part of the event. The kids run around in small packs in a safe environment and the staff and parents move around in our block of seats chatting with one another. Arrive at the stadium at your own time (first pitch is at 7:05) and drive home when you wish. Look for John on the Bricks pushing ticket sales.
