## January 2017 Newsletter

**Thank You** so much for the thoughtful holiday gifts. Our staff counter was covered with wonderful presents. The holiday goodies were enjoyed by everyone. We appreciate being included in your holiday giving!

**8:00 AM** is when class begins for the Bigs during the Hard Nine Weeks. Munchkins have Ball Bouncing at 8:30. Minis will also start classes at 8:30. Please be prompt on school days.

**Hard Nine Weeks** begins on January 3rd. Every student will have several areas of study which need attention each school night and over the weekend. If your child is not showing signs of sufficient homework; please contact their classroom teacher. HNW is the best time of year to help your child arrive at school on time, with a lunch which fuels mind and body, and backpack filled with papers and pencils for the day.

**Everyday of the HNW** is an important school day. Please schedule trips, performances, time on the slopes, and appointments around the school days and not during them. Thank you!

## Spring Dates:

Parents' Week: March 7th - 10th.

Spring Break: March 11th - 20th.

We return on Tuesday, March 21st.

The final school day is Friday, May 26th.

**All** students need a hat for the park everyday. Start a New Year's habit of bringing one to school and not relying on our pile. Bigs are the most resistant about remembering their hats, so attention is needed here. Thank you.

**Potential families** are always welcome to visit Fayette and we will have spaces open for the coming school year. Please assist us in helping the school community grow by referring interested parties to our website and Facebook page and of course your person to person talk of Fayette.

**Registration** information is forthcoming in the January Thoughts pdf.

**Aftercare** is going very well and our students seem to love the extra playtime and also the help with homework. We encourage families to take advantage of this opportunity during the increased workload of the HNW.

**Nurtured Heart** meetings will continue during the coming months. If you have interest in joining this discussion and haven't done so yet, let us know so we can schedule an introduction for you.

**Happy New Year**

*Tara*
